Background

United Nations (UN) Department of Field Support (DFS) is establishing a Supply Chain Management (SCM) Program at the enterprise level to increase the efficiency and effectiveness of Field Mission support through holistic planning and continuous collaboration across all stakeholders. The Supply Chain Operations Reference (SCOR[®]) model is used to categorize the future state of UN supply chain processes in a standard reference model that can be measured, managed, and controlled.

Organizational Setting and Reporting Relationships:

This position is located Supply Chain Operations Section in Nairobi. Under the overall guidance of the Chief Supply Chain Operations, the Associate Contracts Management Officer shall be responsible for all aspects of managing a product category or a product range. The Associate Contracts Management Officer shall focus on requirements related to contract management and report to the Team Leader for a related product/ service segment.

Duties and Responsibilities:

Within delegated authority, the Associate Contracts Management Officer will be responsible for the following duties:

- Provide advice to the Chief of the Section on matters involving mission contracts.
- Assist in managing key contracts in support of mission (and regional) operations, which are under the purview of the Unit, with a focus on service contracts for which the Unit is primary responsible. Service contracts include but are not limited to equipment maintenance/repair, PX operations, Quality Assurance on catering aspects, active UN global systems service contracts.

- Carry out the implementation of Standard Operating Procedures and Administrative Instructions related to the field of Contract Management.
- Assist in the preparation of Statements of Work (SOWs) and Scopes for Work, Source Selection Plans, requisitions and technical evaluations for all contracts to be managed by the Section.
- Carry out programmatic/administrative tasks as required by the Section, including assisting in the assigning/monitoring performance parameters and critical indicators, reporting on programme performance, preparing inputs for results-based budgeting, evaluating national staff performance, interviewing candidates for job openings and evaluation of candidates for national posts.
- Respond to audit observations, as assigned. Manage, guide and train staff under his/her supervision.
- Carry out other tasks as requested by the Chief of the Section.
- Identify Transportation requirements for UNSOS with a primary focus on delivery of inbound goods
- Develop a delivery plans based on UNSOS Acquisition Plan(AP) starting with requirements from established contracts.
- Review the draft UNSOS consolidated Acquisition Plan(AP) to determine gross transportation requirements on all UN global or regional system contracts by liaising with inbound coordinator, warehouse distribution and MSC to capture delivery capabilities and capabilities;
- Perform movement and delivery planning

Competencies

Professionalism: Shows pride in work and in achievements; demonstrates professional competence and mastery of subject matter; is conscientious and efficient in meeting commitments, observing deadlines and achieving results; is motivated by professional rather than personal concerns; shows persistence when faced with difficult problems or challenges; remains calm in stressful situations. Commitment to implementing the goal of gender equality by ensuring the equal participation and full involvement of women and men in all aspects of work.

Planning & Organizing: Develops clear goals that are consistent with agreed strategies; Identifies priority activities and assignments; Adjusts priorities as required; Allocates appropriate amount of time and resources for completing work; Foresees risks and allows for contingencies when planning; Monitors and adjusts plans and actions as necessary; Uses time efficiently.

Client Orientation: Considers all those to whom services are provided to be "clients" and seeks to see things from clients' point of view. Establishes and maintains productive partnerships with clients by gaining their trust and respect. Identifies clients' needs and matches them to appropriate solutions. Keeps clients informed of progress or setbacks in projects. Meets timeline for delivery of product or services to clients.

Qualifications

- **Education:** Advanced university degree (Master's degree or equivalent) in business administration, commerce, law or other relevant field. A first level university degree with a relevant combination of academic qualifications and experience may be accepted in lieu of an advanced degree.
- **Experience:** A minimum of two (2) years of progressively responsible experience in procurement, contracts management, administration or related area. UN experience is desirable.
- Language: English and French are the working languages of the United Nations Secretariat. For the post advertised, fluency in oral and written English is required. Knowledge of other language is an asset.

Assessment Method: Evaluation of qualified candidates for these positions may include a substantive assessment which will be followed by a competency-based interview.

How to Apply:

Qualified candidates may submit their applications including their United Nations Personal History form (P.11) to the address mentioned below **quoting vacancy announcement number and functional title on the subject** line on or before the deadline. The P.11 is on the **https://unsos.unmissions.org/jobs**. Applications submitted after the deadline **16 February 2019** will not be accepted. **Curriculum Vitae (CV) will not be accepted**. Only shortlisted applicants will be contacted for interview.
