Organizational Setting and Reporting Relationships:

These position is located in Vehicle Plant and Equipment Maintenance Section (VPEMS), in Mogadishu, Somalia. The Information Assistant reports to Chief, Vehicle maintenance Unit.

Responsibilities:

Within delegated authority, the Information systems assistant will be responsible for the following duties:

- Works as part of a team in the planning, specification, design, development, implementation and support of computer application systems and programs using UN established standards for IS technologies, programming languages and tools.
- Assists with the monitoring and expedition of computer application systems development projects; provides input for
 the development of standard terms of reference; serves as part of the team related to various project implementations
 in the mission.
- Maintains functional specifications for computer application systems, programs and procedures; assists in ongoing reviews with users and developers; liaises with users to define and specify requirements; assists with version management, data recovery and deployment to users' offices.
- Implements and maintains security controls for various applications; ensures that security controls in place are monitored and enforced; assists with the maintenance of accurate access control lists including rights and privileges.
- Supports Data Recovery/Business Continuity software applications and systems.
- Provides input for the preparation of various technical and user documentation for deployed computer application systems, training materials and may conduct technical presentations; assists with the drafting of correspondence and communications, including work plan revisions, as well as unit contributions for a variety of periodic reports.
- Keeps abreast of developments in the field; implements benchmarking procedures and provides input for final decisions on new acquisitions.
- Performs other related duties as required.

Competencies:

Professionalism: Ability to analyse the tactical elements of vehicular support to clients Shows pride in work and in achievements; Demonstrates professional competence and mastery of subject matter; Is conscientious and efficient in meeting commitments, observing deadlines and achieving results; Is motivated by professional rather than personal concerns; Shows persistence when faced with difficult problems or challenges; remains calm in stressful situations; Takes responsibility for incorporating gender perspectives and ensuring the equal participation of women and men in all areas of work.

Teamwork – Works collaboratively with colleagues to achieve organizational goals; Solicits input by genuinely valuing others' ideas and expertise; is willing to learn from others; Places team agenda before personal agenda; Supports and acts in accordance with final group decision, even when such decisions may not entirely reflect own position; Shares credit for team accomplishments and accepts joint responsibility for team shortcomings.

Technological awareness: Keeps abreast of available technology; Understands applicability and limitations of technology to the work of the office; actively seeks to apply technology to appropriate tasks; Shows willingness to learn new technology.

Qualifications:

Education: High School diploma or equivalent is required.

Experience: A minimum of five years of progressively responsible experience in information systems analysis,

database installation and management and website development, systems administration and

maintenance, software applications, hardware installation and related work.

Language: English and French are the working languages of the United Nations Secretariat. For this position,

fluency in English and Somali (both oral and written) is required. Knowledge of other UN language

is an advantage.

Assessment Method: Evaluation of qualified candidates for this positions may include a substantive assessment

which will be followed by a competency-based interview.

How to Apply:

Qualified candidates may submit their applications including their United Nations Personal History form (P.11) to the address mentioned below quoting vacancy announcement number and functional title on the subject line on or before the deadline. The P.11 is on the https://unsos.unmissions.org/jobs. Applications submitted after the deadline January 13, 2018 will not be accepted. Curriculum Vitaes (CVs) will not be accepted. Only shortlisted candidates will be contacted.
