

# UN Procurement Seminar

## 2018

Doing business with the United Nations offers great potential not only worldwide but also locally in Somalia.

On May 2<sup>nd</sup>, we invite the Somali companies to participate in the seminar focusing on UN Procurement in general and in particular on the procurement of the locally present UN Agencies. The purpose of this seminar is to show what and how we procure in order to facilitate the procurement procedures for potential vendors and the UN procurement officers. Procurement staff from UNDP, UNICEF, UNSOS and WFP and other agencies will hold the presentations.
